TRIBUTES TO FLAG

CITY W. C. T. U. ENJOYS PATRIOTIC PROGRAM AND SOCIAL EVENING

Members of the City W. C. T. U. and their friends enjoyed a fine patriotic program and pleasant social evening Friday night at the parsonage of the Lutheran Church, the hostess, Mrs. R. W. Mottern, being assisted by her daughter, Miss Elizabeth Mottern, and by Mesdames G. H. Rowe and Flora King. Mrs. Ruby Smart, president of the local union, presided. About fifty were present.

The main speaker of the evening was Mrs. Thompson of Los Angeles, regional speaker and daughter of Mr. and Mrs. Ray, who have recently located on South Maryland, this city. She gave a fine talk on the flag and its history.

Mrs. E. H. Willisford recited a beautiful fairy story about the weaving of the flag. She also read a poem about the Charleston earthquake which she thought would be apropos at this time when Southern California is experiencing a few shocks.

Two readings were contributed by Nellie Rowe: "My Flag and Your Flag," and "Ma's Hairpins."

Mrs. Mottern read an article on the etiquette of the flag since the war, and interspersed with these contributions were musical numbers.

Mrs. Frank Arnold sang: "When I Get to Heaven," and "Oh Happy Day," both by Liza Lehman.

Miss Margaret Dick sang "At Parting" by Hawn, and "Ashes of Roses" by Huntington Woodman.

Mr. Cartright gave two cello numbers, "Romance" by Van Goens, and "Oriental" by Cui.

Zora Glassey sang in solo a soprano number, "My Mother."

Miss Mottern sang "Spirit Song of the Robin Woman" by Cadman, and "A Secret" by Oley Speaks.

While a social hour was being enjoyed and refreshments of homemade cake and fruit punch were being served at the close of the program, Miss Glassey gave two readings and Mr. Cartright played several numbers.

LADY ARRESTED FOR SPEEDING

The wife of a prominent bread manufacturer of Los Angeles was arrested while speeding up Central avenue Thursday at 42 miles an hour, endangering her own and others' lives at every crossing, and all just to keep an engagement to tea. Her defense, sent by a friend with money to pay her fine, was that she recently came home from abroad and her social engagements were so many she had to hurry to keep them all. Judge Lowe assessed a fine of $20 and sent word that the next offense of the kind would draw a jail sentence.

A MOVING TALE

In times like the present the wife of a real estate dealer must be prepared for any emergency. Mrs. Stanford has had considerable training along this line and was therefore not as much upset as some wives would have been by a recent experience. The home in which she and her husband have been living at 328 West Colorado street had been sold to Thomas Hull. The Stanfords were moving to a house they owned on Patterson avenue and Mr. Stanford had accompanied the first load of household goods to the new dwelling. When he returned for the second load he told his wife he had just sold the house. That, of course, meant another move. They are living on Patterson avenue for a month, however, and will then move into a house Mr. Stanford has purchased at 320 Vine street.

LEST WE FORGET

As we approach the time for the observance of Independence Day it is just and proper that we pause a sufficient length of time to consider the character of two of the great leaders of our Nation in the past — George Washington and Abraham Lincoln, two men worthy of imitation in these modern times of so many isms. The true American spirit is the need of the hour and with that spirit uppermost in the hearts of our people, the perpetuity of our nation is assured.

BOWLING HONORS

GLENDALE ELKS' LODGE TEAM WINS TWO OUT OF THREE AT SAN BERNARDINO

Friday evening the bowling team of the local Elks' Lodge motored to San Bernardino to match its skill against that of the team of the San Bernardino Lodge in a league game. The delegation of lodge members and their wives which accompanied the team numbered about thirty ladies and gentlemen and they received a most hospitable reception. Glendale won two out of the three games played in a very close contest, thus keeping up its good record in the league series of games which are to last until October and in which the Glendale team has fourth place among the ten teams competing.

Following the contest a banquet was served to the visitors and about one hundred San Bernardino Elks, who have a fine clubhouse containing a large gymnasium.

The Glendale team will play its next league game on the home alley, its opponent being the team of the Los Angeles Lodge.

The score in detail of the contest at San Bernardino follows:

SITTING ON VOLCANO

EVANGELIST C. S. PROUT SPEAKS ON "CAPITAL AND LABOR"

"The world is sitting on a volcano that may start its eruption at any time, with the result that the financial structure of the world, as we have grown accustomed to it, will be totally destroyed."

With these words, uttered lastJanuary by Mark O. Prentiss, chairman of the board of directors of the Bankers' Foreign Credit Clearing House, Evangelist C. S. Prout, in speaking at the Gospel Pavilion last night on "Capital and Labor," emphasized his portrayal of the world situation, and declared it to be a direct and striking fulfillment of such Bible prophecies as James 5 and Second Timothy 3:1-5.

Mr. Prout said he did not wish to discuss the capital and labor situation with bias toward either side. "My purpose," he said, "is not to take sides in this controversy. I propose to study the question as I believe a minister of the gospel ought to study it, and that is from the standpoint of what the Bible has to say about it."

The speaker graphically outlined the world financial situation and then read numerous Scripture texts concerning it. He said there never was a period in the world's history when there was so much wealth as today, and never before such an amassing of wealth in the hands of a few. One man, with his corporations, controls twenty billion dollars, he said, basing his statement upon the report of the Pujo committee, appointed by Congress in 1912 to investigate great banking concerns of New York City. Mr. Prout then quoted the words of Justice Brandies that "twenty billions of dollars is more than three times the assessed value of all the property, real and personal, in all New England. . . . It is more than twice the assessed value of all the property in the 22 states, north and south, lying west of the Mississippi River."

"Such a vast accumulation of wealth means reckless, wanton spending," Mr. Prout added. He called attention to such expenditures as $10,000 for a cradle; $38,000 for a washstand; $65,000 for a dressing table; $1,000 for a hat pin, and $20,000 for a hat—a man's hat at that!—$50,000 for a piano; $75,000 for an opera glass; $280,000 for a string of pearls, and $600,000 for a diamond necklace.

"A few years ago," continued the speaker, "the press gave a detailed description of a seven million dollar mansion that had just been built on Fifth Avenue, New York, for a 'copper' multimillionaire. The mansion has one hundred twenty-one rooms for a small family. At about the same time Mrs. Booth found seven starving families huddled in one room a dozen blocks from the mansion. The reporters called special attention to the $300,000 pipe organ, the $500,000 worth of rugs, and the $2,000,000 worth of pictures in this seven million dollar palace. In the same papers was this dispatch, 'Peking, China—Roads in the Yangtse Kiang districts are strewn with the dead and dying from hunger. . . . It is estimated that more than a million children have been sold by their parents to procure food.

"In my early life a millionaire was considered a very wealthy man. But today we have the multimillionaire. We speak in these terms today without stopping to realize what money means. It is said that had Adam lived to the present day, and had he saved $400 a day, he would not have as much money as Mr. Rockefeller has accumulated in the last 40 years. String dollar bills end to end, and stretch them 100 times around the world, and you would hardly have a billion dollars. One billion dollar bills would stack up miles high."

Unrest is unparalleled in the history of the world, Mr. Prout said, and added that the wealthy are not altogether to blame. He pointed to the statement in Second Timothy 3:1-5 that the last days of the world's history will be perilous because "men shall be lovers of their own selves, covetous, proud, and lovers of pleasures more than lovers of God."

"Not money itself, but the love of money is the root of all evil. God does not condemn earning money. It is the grasping for money, regardless of what is right and just, that God condemns. God encourages all to earn money legitimately, but not by greed, not by pinching down the poor, not by selfishly disregarding the needs of the unfortunate. God still loves those who desire to be honest, and who are endeavoring to follow in His way. We have a few men of means who are doing that, and I feel like taking off my hat to them. But they are few.

"To the common people I would say, This is a time for patience, not violence. This is a time, not for fear, but for trust in God. This is a time, not for turning to confederacies and federations for a solution of wage problems, but a time to turn to God with all the heart and soul. 'Say ye not, a confederacy, to all them to whom this people shall say, a confederacy; neither fear ye their fear, nor be afraid. Sanctify the Lord of hosts himself; and let him be your fear, and let him be your dread.' Isaiah 8:12, 13.

"'Be patient,' is the exhortation of James. 'Stablish your hearts: for the coming of the Lord draweth nigh.' God marks every injustice done. He bears with man's perversity up to a certain point. When that time comes He will deal out exact justice to all."

A Fourth of July sermon will be given at the Gospel Pavilion Sunday night, the topic being, "A Revival of the Spirit of 1776, or The Birth of Our Nation." There will be no meeting Monday night. Tuesday evening at 7:45 Mr. Prout will speak on "God's Challenge to the Infidel." Mr. Prout announced last night that from now on the meetings will begin 15 minutes earlier than heretofore, song service commencing each evening at 7:30.

DEADLOCK THREATENS

THIRD BALLOT AT DEMOCRATIC CONVENTION REGISTERS LITTLE CHANGE FROM LAST NIGHT

(Special Service to Glendale Evening News)

SAN FRANCISCO, July 3.—The Democratic convention opened a half hour late as usual this morning and proceeded immediately to cast the third ballot. McAdoo registered a slight gain in this ballot as did Cox, while Palmer lost a little.

The result of the ballot was as follows: McAdoo 326½, Palmer 235½, Cox 177, Smith 94, Cummings 26, Owen 25, Davis 23½, Edwards 31½, Gerard 11, Meredith 26, Marshall 38, Glass 24, Hitchcock 16, Clark 7, Bryan 1, Daniels 1, Harrison 6. Absent 3.

Following the announcement of this total, Vance McCormick of Chicago, who was watching the ballot closely, predicted a deadlock. He said: "This is the same situation as in 1912."

The fourth ballot was ordered taken immediately and early votes showed that the result would not be much different from what it was on the third ballot. On the third ballot, California voted as follows: McAdoo 18, Palmer 1, Cox 5, Cummings 3, Smith 1.

New York was voting solidly for Governor Smith. Other states continued to vote practically the same as they had on the first two ballots. At the opening of the fourth ballot the California delegation passed. They will cast their vote later, it is expected.

When the convention delegates began stirring around the hotel lobbies early today headquarters of McAdoo, Cox and Palmer and their supporters all felt confident but admitted last night's balloting was largely a feeler and did not necessarily indicate what was going to happen.

The McAdoo headquarters claimed the advantage lay with their candidate.

There was much talk that Ambassador Davis would figure largely in the balloting today.

William Jennings Bryan was out early this morning receiving visitors, but said he was not certain whether he would sit with the Nebraska delegation at the convention or whether he would attend the session at all. He appeared cheerful but it was plain to see he did not enjoy his defeat administered yesterday.

INTER-CHURCH WORLD MOVEMENT

OFFICIALS DENY THAT REPORT ON THE STEEL STRIKE CAUSED WITHDRAWAL OF FINANCIAL SUPPORT

(Special Service to Glendale Evening News)

NEW YORK, July 3.—Denials that the steel strike reports of the Industrial Relations Committee of the Inter-Church World Movement caused disruption, were made today by officials of the organization. They asserted the report had nothing to do with the withdrawal of support by financiers.

NEW BUSINESS BUILDING

J. M. Blankenship's business building just south of Chaffee's grocery store is just about completed and has already been rented. Mr. Blankenship and Joe Hawkins will occupy a space 11 by 30, on the north side and J. F. Stanford will use the remainder of the building. Both will be real estate offices. This will make five in a row within less than 200 feet frontage—Doner & Hemenway's, Blankenship and Hawkins, J. F. Stanford, Reynolds & Simmons, Jack Lucas. All will be heard from in the classified columns of the Evening News regularly.

Mr. and Mrs. H. W. Wilson of S. Louise and Mr. and Mrs. Hoyt left Thursday by auto for the San Jacinto Valley and are expected home Sunday. Miss Madeline Love, daughter of Mr. and Mrs. Thomas G. Love of 220 West Elk avenue, was their guest.

PINE FLATS CAMP

The boys leaving for this section will return July 14th, after a grand outing under experienced leadership with educational opportunities in swimming, athletics and a study of nature and wild animals away up in the high mountains among big trees.

The next section camp begins July 14th and ends July 20th, a short camp of a week, instruction, board and transportation, all for the small sum of $4.75, that beats the H. C. L. Boys may register at the Glendale Market on Broadway for this camp.

JOINED BY ANOTHER SISTER

Mrs. Owen, sister of Dr. R. V. Hogue of 230 West Colorado, who arrived about five weeks ago and is now a guest in his home, was joined on Thursday by another sister, Mrs. Marmaduke, of Denver, who was accompanied by her son, Sanford Marmaduke. The Marmadukes and Mrs. Owen have come to California to stay and may decide to locate permanently in Glendale. Mrs. Owen reports letters from the doctor and Mrs. Hogue reporting their safe arrival at Big Bear and that they are having a very nice time. They will be gone a week or ten days longer.

PARENTS EXPECTED

Mr. and Mrs. Glasscock of 360 W. Elk avenue expect Mr. Glasscock's parents to arrive today from Fresno. They are coming for a good visit and to look around with the possibility that they may locate here. After their arrival plans will be made for Monday which will meet the inclinations of the visitors for a trip to the mountains or the seashore or a quiet day at home.

FIVE ROOM RESIDENCE

Gordon L. Smith has taken out a permit for the erection of a 5-room residence at 205 West Chestnut to cost $3000. Mr. Smith is now living in a rear house he owns at this number and will build the other for rental purposes. His son-in-law, David Hansen, is now building an 8-room house at 117 West Chestnut, which will soon be ready to move into.

HOUSE PARTY

Mrs. George E. Daniels of 142 N. Central avenue will entertain with a house party of relatives from Los Angeles on Monday, which will include Dr. and Mrs. Olson, Miss Helen Olson, Mr. and Mrs. Elmer J. Olson, Mr. and Mrs. Alfred Moreen, Shelton Moreen, Miss Hilda Olson, and, of course, the host and hostess and their daughter Helen.

MISS HUNT RECOVERING

Miss Dorothy Hunt of 420 West Elk avenue is able to hobble about the house on crutches after two weeks of great suffering from burned feet. While attending a picnic she accidentally stepped into a mass of live coals that were covered with ashes and one foot was burned to the bone and the other badly blistered. She was confined to her bed for a number of days but is now able to be up.

C. J. Peurrung represents Geo. E. Clayton as manager of the Burbank Dodge Agency and has not taken over the agency as reported in Friday's issue of this paper.

FOURTH OF JULY

GLENDALE TO HAVE OLD-FASHIONED INDEPENDENCE DAY CELEBRATION

In spite of the short time allowed for preparation Glendale is to have quite a typical "Fourth of July" next Monday on the Municipal Playgrounds in connection with the Magnolia School, on San Fernando Road, and it will be a real old-fashioned home town celebration which will start at 2 p. m. The program will include daylight fireworks, foot races, bicycle races and comic stunts, for prizes. Besides these there will be games of baseball, volley ball, croquet, tennis and quoits. As no "Independence Day" would be complete without a patriotic address, Arthur C. Brown, of this city, Principal of the McKinley Junior High School, has been persuaded to be the speaker. He will, of course, have a patriotic theme and this should be one of the most enjoyed features of the day as the grand stand will afford plenty of good seats.

Families can visit the grounds and be assured of entertainment for children of all ages. The sandpits, swings and small games will give the little tots plenty of amusement.

For the preparation of coffee and wienies the picnic furnace will be available. Ice cream, lemonade, candy and fireworks will be sold on the grounds.

A fine finish of the day will be a monster bonfire in the center of the field.

THE TUESDAY CLUB'S PICTURE

The valued picture belonging to the Tuesday Afternoon Club, which was destroyed when the home of Mr. and Mrs. John Robert White was burned, was given to the club by Mrs. Harriet Frank, of 1558 East Wilson avenue, and was the work of her husband, now dead, an artist of distinction, who left his widow a valuable collection of pictures. It was much prized by the Club and had been insured. After the fire they feared there might be some difficulty in collecting the insurance, but through the kind offices of Mr. Whiting the matter went through without delay and the club received its check. While it deeply regrets the loss of the art treasure it was glad to have some recompense.

NO PAPER MONDAY

Monday, July 5th, being a legal holiday, no paper will be published from the office of the Glendale Evening News.

D. V. B. S. INSTITUTE

GLENDALE YOUNG PEOPLE PREPARE FOR DAILY VACATION BIBLE SCHOOL

A number of Glendale people have this week been attending an Institute for the training of leaders and teachers in the Daily Vacation Bible School movement, which has been in session in the First Baptist Church of Los Angeles. Several of the large denominations are co-operating in the movement which is directed by a Federated Committee. The Institute has furnished instruction in craft work, conducting of singing, telling of Bible stories, etc., all of which have a part in the Daily Vacation Bible School plan. The movement is practically new to Glendale this year, and has been growing in favor throughout the country in the past few years. Last year about 15 schools were conducted in Los Angeles district while this year more than fifty are to be opened. Glendale was well represented at the Institute. Among those present, who will take part in the school as instructors and assistants, are Fred W. Hoffman, Vera Sinclair, Lyda French, Mary McDill, Flora Mae McGhee and Elizabeth Edmonds. Glendale is looking forward to having one of the largest and best Daily Vacation Bible Schools in the entire district. The sessions of the school are held daily, except Saturday, from nine to eleven-thirty in the forenoons. The work will include singing, Bible memory work, Missionary and Bible stories, woodworking and clay-modeling for the boys, basketry and sewing for the girls, and there will be a kindergarten for the very little children. The school is open to all boys and girls of Glendale, with no admission charge and a picnic or hike will be planned every week on recreation day. All departments of the school are under the direction of competent leaders and the school promises to be of real help to the children of Glendale.

AUTO WILL AID TRACTOR SHOW

The city authorities and business men of Glendale are counting much on the automobile as one of the chief instruments that will aid in bringing thousands upon thousands of strangers to Glendale during the big tractor show next September. The Automobile Club of Southern California has promised to advertise the show far and wide, not only through its own membership but that of kindred clubs of the west coast. People hearing of the show in Oregon, Washington, Nevada, New Mexico, Arizona and even further east, will plan a tour to take it in, and of course all California will be interested. With the San Fernando Road and its connections, the Foothill Boulevard and other highways leading direct to our little city, it will become a mecca for auto tourists, even from the Central States, for they will have ample time to get back home before winter sets in.

It will not do to leave the auto out of the calculations when planning any great event hereafter.

CLOSED ALL DAY MONDAY

ACCIDENTS INCREASE WHY?

Statistics show that 3200 more auto accidents occurred in Los Angeles county thus far this year than in the entire year 1919. There is some reason for this, or rather, there are many reasons, but the main one is that the driver is not paying strict attention to his business—one driver, that is. In most accidents two drivers are concerned and one may have been doing his whole duty, while the other was not watching where he was going. Just as "eternal vigilance is the price of success," so is unremitting watchfulness necessary to avoid accidents. Right here in Glendale have occurred of late three accidents in which machines have been run into by careless drivers of other cars who were looking somewhere else than straight ahead. A very careful driver relates that he had been traveling along behind another machine for several miles with no change of pace by either. His attention was drawn to one side of the road for a moment or two and when he turned his eyes to the front again his car was almost upon a slow moving machine which the other driver had gone around. Slow up at every street crossing so that your car is under perfect control. Many smashups occur at crossings because drivers assume they can dash by before another machine could reach the point of intersection. And be especially careful at all railroad crossings, even to the point of timidity. A moving train or street car goes much faster than the driver of an auto figures.

"Watch" and "don't," should ever be in the mind of the autoist.

CAMP KEARNY'S VISITING DAYS

Motorists will welcome the news that Camp Kearny has set aside two visiting days each month for their special benefit.

Through the Automobile Club of Southern California an invitation to all auto owners to visit the camp has been extended by Major General Joseph E. Kuhn, in which he points out that unusual stunts will be staged on the fifth and twentieth of each month for the benefit of motorists driving there.

"Get acquainted with the army posts in Southern California" urges the commanding officer. He wishes everyone to see how the soldiers of America are cared for in peace times, and the trip to Camp Kearny is a delightful jaunt at this time of year, points out the Auto Club.

TO BUILD OR NOT TO BUILD NEW HIGHWAYS

Unanimity of sentiment on any question seems to be impossible. While the automobile clubs of the state and practically every organization connected with road travel favor the postponement of all but vitally necessary road work until it is possible to market the $40,000,000 issue of bonds voted for last year, yet there is a small opposition that is demanding immediate action; such a course would mean that less than two-thirds of the work planned to be done with the forty million dollars could be carried out because of the great increase in materials cost and the big loss that would result in forcing the sale of 5 per cent. bonds at this time. It seems certain, however, that the will of the majority will prevail and none but absolutely necessary construction be attempted.

Mountain highways are cleaner than ever since the State Board of Health and the Automobile Club started the campaign to take the can out of canyon. Keep the roads clean, Mr. Motorist, this summer.

LONG AUTO TRIPS

INFORMATION REQUESTED FOR 100-MILE TRIPS—FIDO BARRED SOME PLACES

Auto trips of from 100 to 500 miles for a holiday outing are nothing in the life of a Southern California motorist, and requests for information in this regard are swamping the touring bureaus of the Automobile Club of Southern California.

"Where can we go that we have never been before?" is the general plaint of the local automobile owner.

Here are some suggestions made by the Auto Club for those who are planning to spend the Fourth of July in the mountains or by the sea, taking their own kits with them:

It will be noted that each place indicated is available for motorists in any county of the southern part of the state, and a general "swapping" of localities is made possible by the suggestions. Take the Barton Flats and Big Meadows areas. These are reached from the Mill Creek Road at a point one mile south of the upper Bear Valley control. A club sign marks the turn-off, and the meadow district is twelve miles from there.

Spots of camping will be found throughout the San Jacinto mountains which are new to a large majority of car owners. If you have never thought of these mountains, ask the club about them.

To the south, in the vicinity of San Diego and Imperial counties are the Palomar Mountain and Cuyamaca Lake regions which are virgin territory to many campers. Look these up and get maps of the roads there.

Skipping to the north, consider seriously the beautiful camping places in and around the Moro Beach district. Also, there is Paradise Valley just north of the San Marcus on Santa Inez Creek. Have you ever investigated these spots?

These ideas will take you out of the hackneyed run of camping grounds.

Again motorists are forgetting that Fido cannot go on his vacation into the National Parks, says the Automobile Club. Motoring parties taking the family pet along with them on the good old summer vacation will find that they are refused admittance to the General Grant and Sequoia reserves as well as the Yosemite unless they leave Fido behind. The quarantine is "still on" in all of Fresno county and no dogs are allowed in or out of that section. No other counties to date have reported any quarantine on animals, and they will not unless an epidemic of rabies becomes general.

Only 8578 auto accidents in Los Angeles between January 1 and June 25, 1920. Most of them avoidable, too.

WIDE USE OF AUTOMOBILE

Perhaps no invention since time began has come into more general use in as short a time as has the automobile and when price is considered the fact is the more wonderful. The telephone and the electric light are less than half a century old but their cost to the individual user is so small that nearly every family can afford them. The automobile, which has been in use only 25 years, was at first prohibitive in price except for the very rich. Today, though the price is still in the hundreds and the thousands, its use has multiplied so amazingly as to be the wonder of the world. Should the day of the $250 auto ever come, hardly a family will be without one.

H. Roeder and family have moved from 328 North Orange to 344 N. Maryland avenue.

J. F. McBryde and wife are moving from 408 West Broadway to the DeLuxe Apartments.

Mr. and Mrs. Jack McKenzie of 1524 Lorraine street have gone to Ocean Park for a couple of weeks.

Mrs. William S. Porter of 923 N. Brand boulevard, who has been quite seriously ill, is reported better.

Mr. and Mrs. W. A. Campbell of 1420 Lorraine street and their family are leaving Sunday to spend a month at Huntington Beach.

Dr. J. E. Eckles and family moved yesterday from 427 North Brand to the property recently purchased at 323 North Orange from Mr. Roeder.

Mr. and Mrs. Ivan Robinson of 1520 Lorraine street expect to entertain for the week-end and over the Fourth, Mr. and Mrs. W. R. Smith and family of Los Angeles.

W. H. Hyde, wife and daughter Rachael have moved to Glendale from Pomona, where they had lived for 10 years. They are living at 512 North Isabel, having bought the residence property at that number.

F. S. Hill, who has a machine shop in the rear of the Monarch Co., with his wife is taking a week-end outing in Arroyo Seco where they will camp.

W. B. Kirk, wife and daughter Marie of 504 East Broadway left today to spend two weeks at Coldbrook Camp. Mr. Kirk expects to pay several visits to the Y. M. C. A. boys' camp at Pine Flats, which is only four miles from Coldbrook.

Mr. and Mrs. D. W. Porter of 517 West Doran entertained quite a party of the friends of their young son, Meredith, in celebration of his third birthday Thursday afternoon. Games and delightful "eats" were a feature of the entertainment.

Mrs. Frank Landis and daughter Dora-Netta, who was one of the graduates of the Intermediate School, have returned to the east after having spent the winter in Glendale. They liked it so much here that they expect to return to California in the fall.

CAN YOU SEE

your wife, out there in the future, feeble and dependent, not a welcome occupant of the homes of her children-in-law—humiliated by having no means of her own, the property you left having been lost through the bad advice or poor judgment of those same sons or sons-in-law?

A sad picture, but not an uncommon one. As such a poshibility comes into your mind you determine that it SHALL not become true with YOUR wife. But how can you prevent it? There are very few ways. The absolutely safest and best one is by protecting her with a Provident Income Policy, or an optional settlement guaranteeing her a CERTAIN income for life.

With a total of nearly 15 millions of surplus the Provident is practically as strong as the government. You need only to know of this protection to want it.

LOT CLEANING

NOTICE TO PROPERTY OWNERS!

On May 20, 1920, the Board of Trustees of the City of Glendale adopted an Ordinance entitled:

"AN ORDINANCE OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE TO COMPEL THE OWNER, LESSEE, OR OCCUPANT OF BUILDINGS, GROUNDS OR LOTS TO REMOVE DIRT, RUBBISH, WEEDS AND RANK GROWTHS FROM THE SIDEWALK OPPOSITE THERETO, AND FROM THE BUILDING OR GROUNDS; AND ON HIS DEFAULT, AFTER NOTICE AS THEREIN PROVIDED, TO AUTHORIZE THE REMOVAL OR DESTRUCTION THEREOF BY THE STREET SUPERINTENDENT OF SAID CITY, AT THE EXPENSE OF SUCH OWNER, LESSEE OR OCCUPANT, AND PRESCRIBING THE PROCEDURE TO MAKE SUCH EXPENSE A LIEN UPON SUCH BUILDINGS OR GROUNDS."

Owing to the high cost of labor and the inability to secure efficient help, property owners who leave their lots to be cleaned by the City might will find that the expense for doing the same is far in excess of their expectations.

It is a matter of civic pride that every vacant lot be free from rank growths and every property owner should exercise that proclivity.

Clean Off Your Vacant Lots Now and Save Yourself the Added Expense

A free Employment Bureau is maintained at the City Hall and you are invited to call for information regarding laborers.

All contractors, laborers, desiring work of this character are urged to leave their address and telephone number at the City Hall.

We also are enlarging our lens laboratory, so as to be able to duplicate in Glendale any lens that we can get in the city, saving you time. Eggs, Eggs, More Eggs!!!
THE ONE SOLUTION

Unless poultrymen can succeed in getting heavy egg production during the late summer and fall of this year they are bound to suffer serious losses. Therefore, every hen must be kept in tip-top condition, fit to do her whole duty.

Healthy Hens Produce More Eggs

Leading poultrymen and stock raisers declare that the cost of conditioning stock is returned many times over in increased returns. The weight of this statement is indicated by the fact that successful poultry and hog raisers throughout Southern California used during the past season approximately 100 carloads of condensed buttermilk for conditioning.

Semi-Solid Buttermilk Well Known Conditioner
That Semi-solid Buttermilk is especially efficient as a conditioner is evidenced by its wide use throughout the industry. It may be depended upon to produce vigorous, healthy stock. P. C. A. Semi-solid Buttermilk is sold in large barrels.

Lactein Highly Favored by Poultrymen
The new process, which has entirely eliminated all free mineral acid has made the celebrated LACTEIN very popular as a specialized condensed buttermilk conditioner. High in milk solids, this new form of conditioner is enjoying great favor among poultrymen.

In addition to P. C. A. SEMI-SOLID BUTTERMILK AND LACTEIN we are also distributors for MILKOLINE, which will keep indefinitely in warm weather, and VITALIC, a buttermilk conditioner highly beneficial for intestinal troubles in Stock.
